Post Description

Nestled 185 meters above the sparkling Mediterranean Sea, this stunning 730m² villa offers an unparalleled experience of Ibiza's natural beauty. Designed by renowned architect Ramon Esteve, the property perfectly combines modern elegance with timeless charm, creating a serene haven where breathtaking sunsets and panoramic sea views become a daily indulgence. The villa boasts eight spacious bedrooms and nine luxurious bathrooms, each designed to provide maximum comfort while embracing the mesmerizing sea views. Expansive terraces, sun-drenched lounge areas, and an infinity pool seamlessly integrate indoor and

outdoor living, offering the ultimate island lifestyle experience.

Entertain in style with a fully equipped modern kitchen, ideal for hosting intimate gatherings or lavish celebrations. The open-concept design ensures fluidity between indoor and outdoor spaces, enhancing the feeling of freedom and connection with nature.

Ca Na Xamena's exceptional location and architectural brilliance make this villa a sanctuary of relaxation and sophistication. Experience the essence of Ibicencan life in a home where luxury meets tranquility, and every moment feels like a dream come true.
