Post Description

Nestled in the tranquil surroundings of Sant Jordi, this remarkable 20,000 m² estate offers an exclusive retreat with breathtaking distant sea views. Designed for ultimate comfort and elegance, this under-construction detached house is set for completion in July 2025, presenting a rare opportunity to customize your dream home in one of Ibiza's most sought-after locations. The meticulously designed main house spans three floors and features six spacious bedrooms and six bathrooms, ensuring privacy and luxury for you and your guests. Additionally, a

separate two-bedroom annex provides extra space, perfect for visitors or staff. With a total built area of 250 m², every corner of the property is crafted for sophistication and modern living. A stunning swimming pool invites relaxation amidst nature, while a fully equipped gym caters to fitness enthusiasts.

For car collectors or those who appreciate convenience, the estate includes a secure garage with space for four vehicles. The peaceful yet well-connected location allows you to enjoy Ibiza's serene landscapes while remaining close to the island's best beaches, restaurants, and entertainment hubs. Whether you're seeking a family residence or an investment, this property embodies luxury and exclusivity.

With construction nearing completion, this is the perfect moment to secure your place in Ibiza's elite real estate market. Contact us today to learn more and claim this extraordinary estate before the opportunity slips away.
