DESCRIPTION

Luxury villa in Roca Lisa

modern villa with 700m² of living space and 1700m² of land. The villa has been built to the highest standards and the best materials were used. The dream villa in Roca Lisa offers a wonderful view of most of the rooms in this fantastic property.

A large American-style kitchen and a large dining room with a large glass front and a wonderful view can be anything you want for a romantic candle light left the dinner.

The lounge is a large wellness oasis with a large terrace with sea and the horizon. This built on the hillside village is divided into 4 levels and consists of 3 bedrooms and 3 bathrooms for each room include bathroom with separate shower. The master bedroom comes with more comfort and features a walk-in closet, jacuzzi, sauna, shower and separate toilet.

All four levels are connected by a staircase and an elevator. The master bedroom has a private terrace and can not be discreet relax. The fourth level is at the same level as the road and you have to have a second garage for two cars.

Here is also the entrance of a service apartment that can be converted into a duplex. At the first level, also has space for four large cars.
