CW-NO-BS-25 Mahon - Menorca 1334

Category: Villas, Hotel N. Bathroom: M<sup>2</sup> Inside: 1334

This property is not for sale until the energy certificate has not been submitted.

### DESCRIPTION

Front line hotel on Mahon harbour of 1,334 m<sup>2</sup>. The Rocamar was a hotel and at one time the most famous restaurant on the island, but is currently a derelict building that stands out for its front line location and its grand frontage.

Area:

Current regulations allow it to be opened again as a hotel establishment or to convert it into accommodation. In both cases having little depth but long frontage, would permit that all rooms would be able to have windows with front line views over the harbour. There is also the possibility to install outside the building a floating dock private and exclusive for the sole use of the property.
