DESCRIPTION

The Castillo is one of the most exceptional properties on Ibiza. With its spacious terraces, this unique property offers a fantastic 360o panoramic view of the marina, Ibiza city (2.5 km as the crow flies), the sea and the neighbouring island of Formentera.

Also you can admire the sunrise and the sunset perfectly by the elevated situation. Surrounded by the nature reserve, the property offers the privacy that a luxury property should offer.

The Golf Club is only a five-minute drive through the idyllic green landscape of Ibiza. The well

thought-out and intelligently designed layout of the property gives you the feeling of generosity. The villa is located in a noble private urbanisation with 24h security directly in front of Ibiza city.

There you will find, among other things, your own tennis club, only five minutes walk away.

The property includes an extension for staff. Despite the quiet location, the hotspots of the island can be reached within a few minutes.

Very interest investment with high return of invest.

Asking price 5.9 millions
