This property is not for sale until the energy certificate has not been submitted.

DESCRIPTION

This idyllic finca is situated in front of the mighty and fascinating rock Es Vedra in the middle of the campo. It is surrounded by a nature reserve.

The most beautiful [beaches](#) of Ibiza can be reached in just a few minutes by car, including [Cala Tarida](#), [Cala Vadella](#), [Cala Moli](#), Cala d'Hort and Cala Codolar.

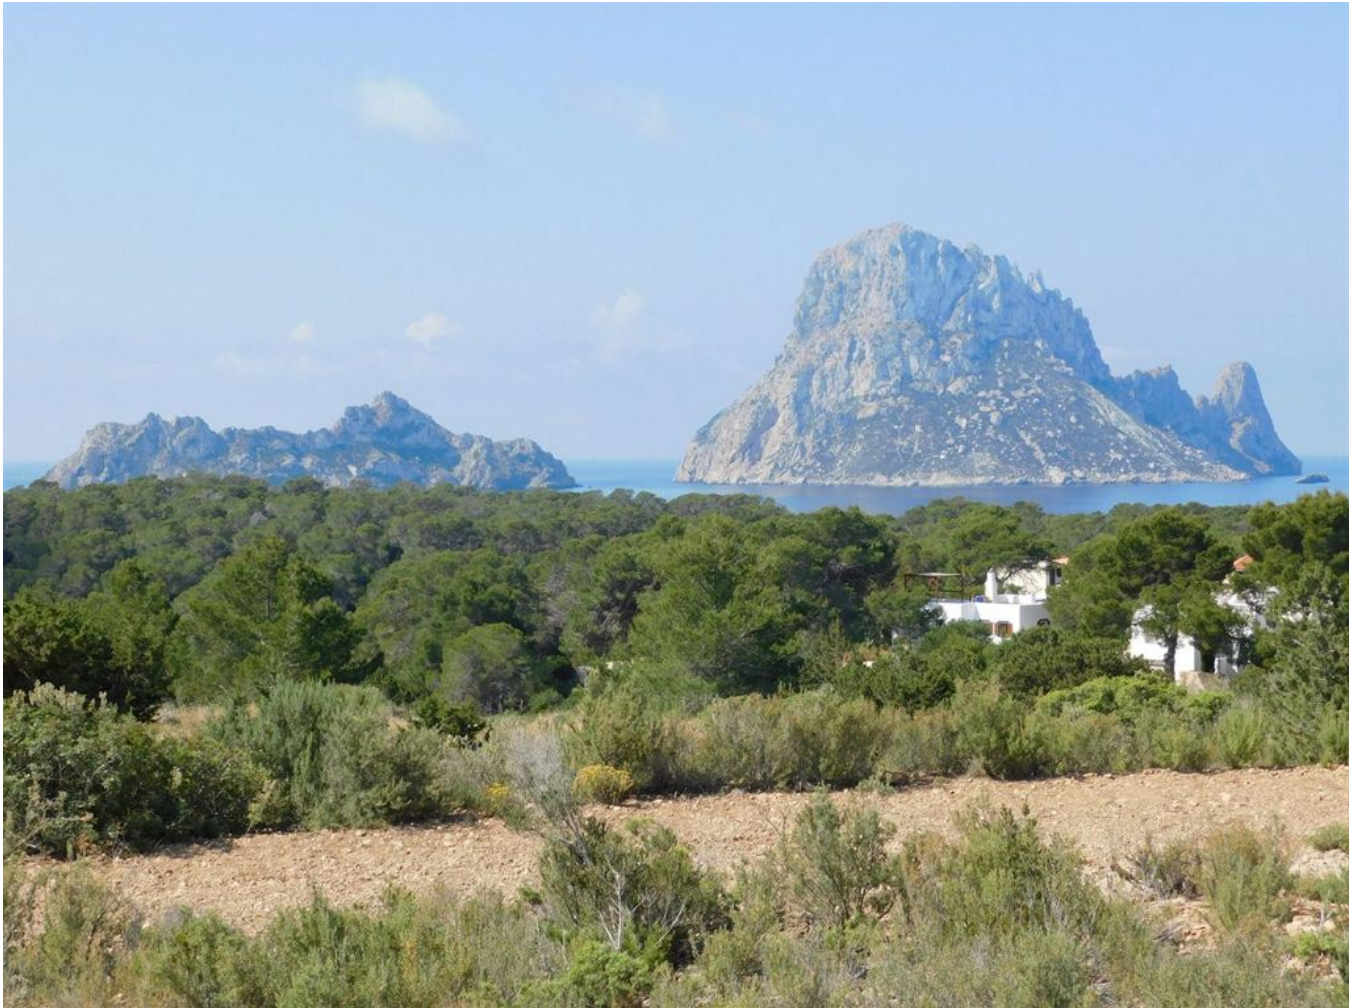

The property is in top condition but small changes could make a big difference and fully exploit the

potential this property has to offer.

From the roof you can enjoy the beautiful sunset and be close to the sun in its most glorious moment.

The large basement is ideal for letting your creativity run free, depending on what you may need. You could turn it into a guest apartment, a workshop, a hobby room, a wine cellar or anything suchlike.

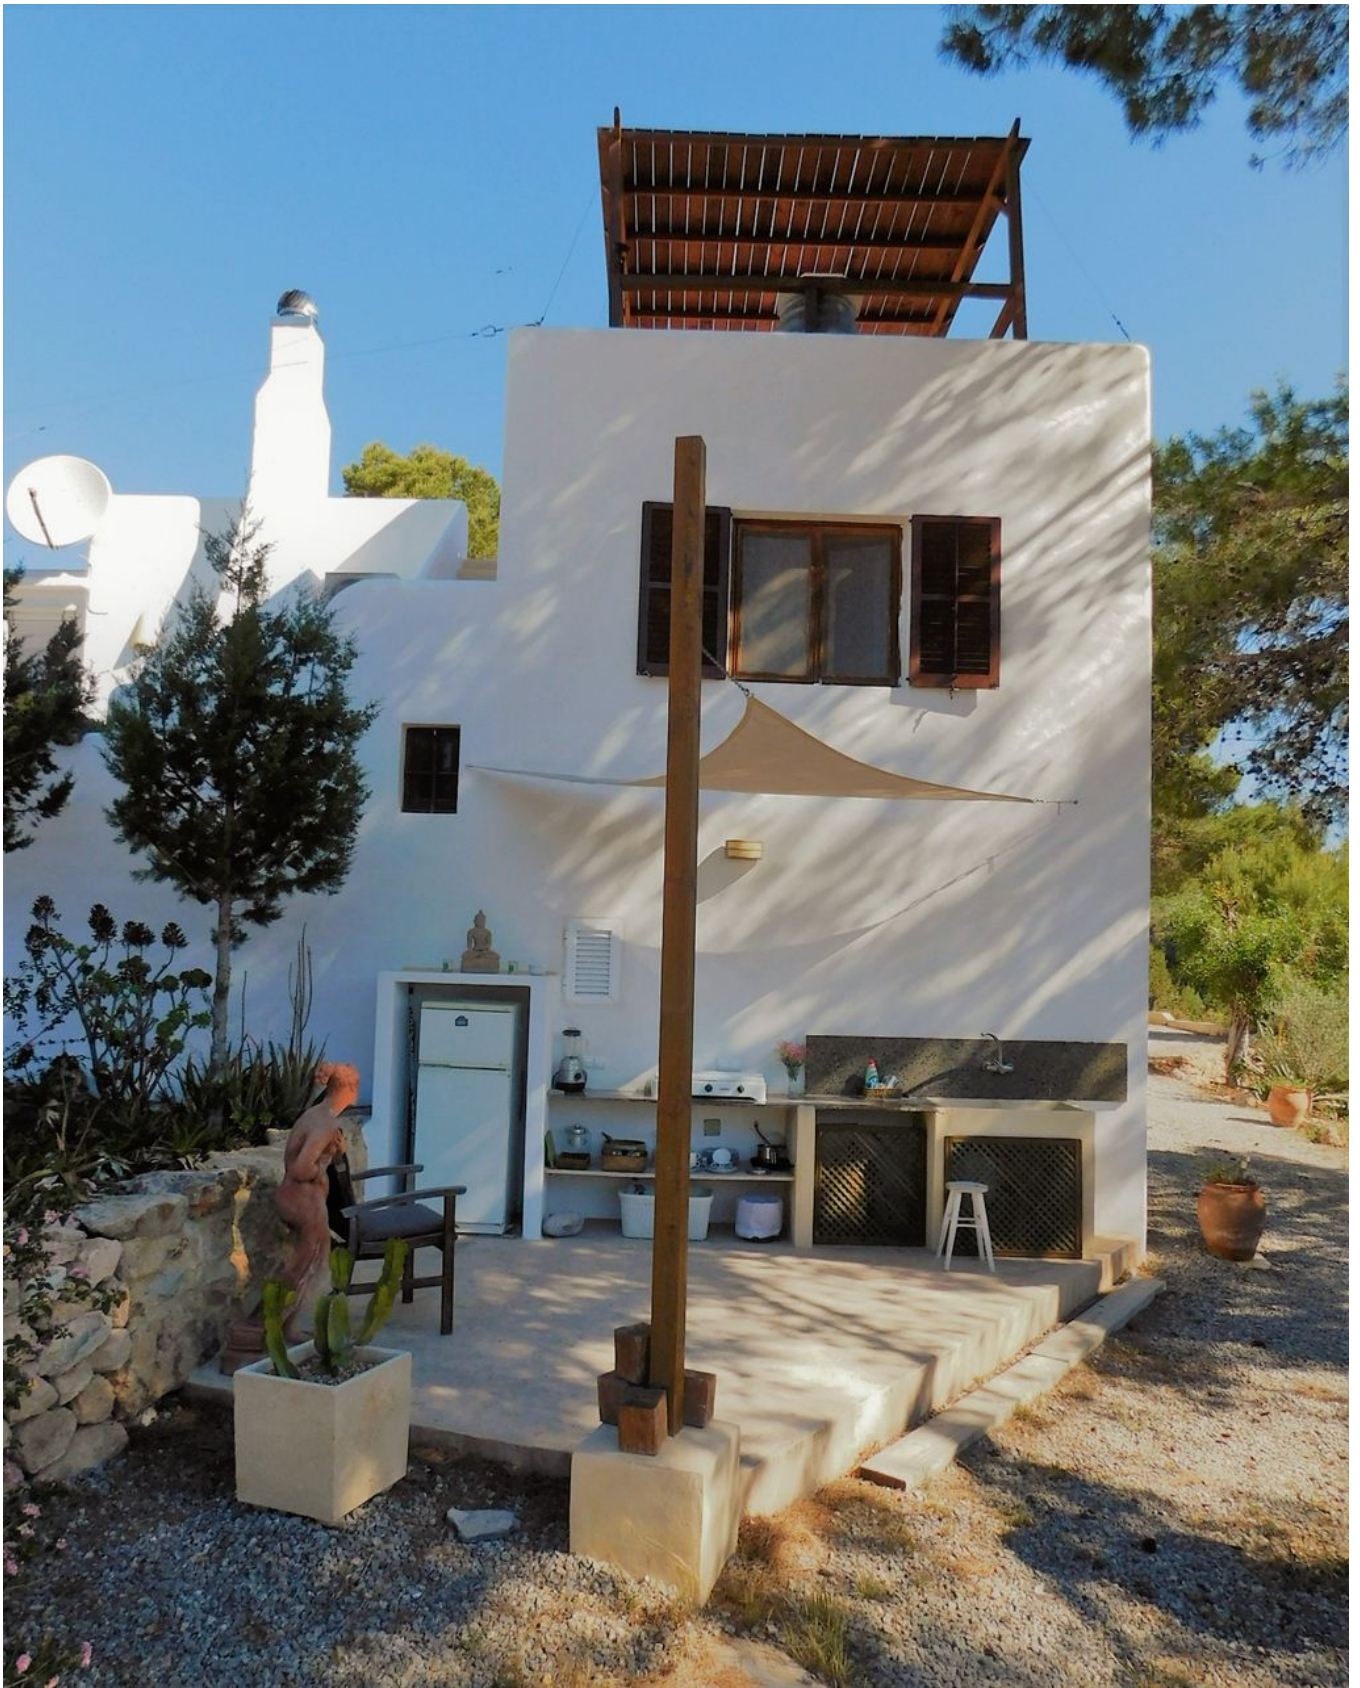

In the open air there is a kitchen with a BBQ area where you can sit together with your friends and families and enjoy the peace and privacy without being disturbed.
