DESCRIPTION

Hotel is currently being renovated and will open soon

Located in the heart of San Antonio, the hotel is an urban statement. The hotel has recently been renovated and is scheduled to expand each year. It is destined to be part of the rejuvenation of San Antonio's West End. 30 rooms on 5 floors, all with a choice of double or single beds. Rooms are large enough to share comfortably with a friend or partner. Air conditioning throughout the building and a lift to the upper floors ensure a comfortable stay.

Grey tones and white define the look and style, adding a touch of sophistication. Smart TV in every room for entertainment with Netflix or Apple TV. New furniture, premium mattresses and blackout curtains ensure a good night's sleep for those who want to leave early to visit the beautiful beaches on the west of the island.

Boats are just a 5-minute walk away, offering tours and excursions to Ibiza's various beaches and coves. The taxi rank is just a 3 minute walk away for exploring the nightlife in Ibiza Town and beyond.

The disco bus and the main bus station are also within walking distance. There is the possibility to open a beautiful roof terrace !!!!
