DESCRIPTION

From this property you can enjoy beautiful views of the Ibizan countryside to the sea and the archipelagos located in front of the San Antonio bay. The area offers a lot of tranquility which you can enjoy in the plot of 2000m² where the house is located. The house has 355 square meters built plus a swimming pool of 63 m² and 13 meters long. The villa offers 5 bedrooms and 5 bathrooms of which 3 are en suite.

This is an excellent investment property as, even if the house is perfectly livable, with a small investment it could increase its value considerably.
