The main house dates back to the beginning of the 20th century and the other buildings were built later. The main house maintains its typical Ibicenco rustic character and has a living room, kitchen, two bedrooms and two bathrooms as well as an adjoining living room which can be used as a third bedroom, an outside bathroom and a store room. The second house has three bedrooms, living

room, kitchen and bathroom, as well as a storeroom. There is also a typical oven and two garages.

Although the main house is still livable, this property is ideal to transform it into your dream finca, with more than 500 m2 built and more than 13.000 m2 of land, this finca offers a great potential to develop.
