DESCRIPTION

From this oasis of luxury, overlooking the Mediterranean and open views to Formentera, enjoy all that life has to offer.

Modern sleek and bold lines define this stylish architectural gem with luxury finishes and quality materials there is nothing left to be desired.

This private luxury residence is carefully arranged over four levels and includes five bedrooms, six bathrooms, private cinema, elevator, roof top terrace, lounge and pool.

From every living space magnificent views can be enjoyed, as this contemporary home gently steps down the hillside taking advantage of its prized location.

Finished with a combination of white marble, cladding and an abundance of large format windows, the exterior design is crisp, clean and cool. While the elegant and subtle interiors are comprised of a combination of warm wood accents and natural stone, the beauty is radiant but never competes with the surrounding views.

With the best saved for last, no Ibiza residence is complete without outdoor living, and this home will not disappoint. Whether you want a quiet retreat or an evening of entertainment this expansive roof top terrace looking over Ibiza and the never ending ocean is perfect. You will feel on top of the world.

Just five minutes to the centre of Ibiza in the brand new development, Urbanization Miradores, Villa Essence boasts magnificent sea views. This exclusive urbanization has top quality infrastructure, and provides easy access to the centre's extensive range of restaurants, entertainment, shopping and facilities.
