DESCRIPTION

This property is situated behind the nature reserve close to [Cala Moli](#). According to the unchangeable law, nothing may be built in front of the property, as it is a nature reserve. Thus a fabulous view into the countryside is guaranteed.

This is the chance to realize a dream and create your perfect home you have always dreamed of.

The bay of Cala Moli is situated between [Cala Vadella](#) and [Cala Tarida](#) and is well known for its crystal clear water.

The current project requires an ultra modern villa with high glass windows. It will be spread over 2 floors and a basement that you will be able to enjoy according to your wishes (could be f.e. a home cinema, a huge wine cellar, a spa or anything else your heart desires). The house will have 4 bedrooms and several common rooms, as well as a garage.
