DESCRIPTION

Two refurbished independent countryhouses on a large rustic plot of 11000m², just some walking minutes from the beaches, the seaside promenade, the yacht harbour and the town centre of Santa Eulalia del Rio.

The first house has 5 bedrooms with 2 bathrooms, a separated, fully fitted kitchen, a beautiful swimming-pool with an integrated jacuzzi, several covered terraces and a barbacue area. Next to the pool area there is a lawn with trees palm trees and ornamental plants. In a separate building there is a large room with a fitted kitchen and a large open chimney ideal for hosting many guests for dinners or partying.

The second house a typical country house that comprises 3 bedrooms with 2 bathrooms, a spacious modern kitchen and covered terraces on the front with its own entrance gate. There is an additional stable building of 150m² which hasn't been refurbished.

The land between the houses has been divided by a fence yet allowing easy access to both. Large parking areas.
