DESCRIPTION

This nice designer apartment is situated on the frontline of Figueretas boulevard, perfectly surrounded by up and coming hip restaurants and covered by 5-star hotels.

The apartment is fully furnished to modern standards, with new electrical and plumbing installations, floor heating and central air conditioning. There is a large living space attached to a modern designer kitchen, a large bedroom with a large wooden closet and an amazing bathroom with bath and an integrated rain shower. Both the living room and the bedroom have direct access to the terrace, which enjoys spectacular sea views.

This apartment is finished with the best qualities and high-end materials. It is from the road to the first floor and from the beach access directly to the third floor. It has an alarm installation, a security door and optic fiber internet.
