This is the perfect appellation for this villa for sale located on top of a hill. Majestic 360° views where the sea, the city and nature merge to offer a sense of peace and immensity. Asking price 15 Million !!!

Going through its exteriors we will let ourselves be impregnated by these sensations ... imagine immersing yourself in the crystalline infinity pool which seems to flow directly into the sea or peer through the various terraces and breathe leaving the mind blank and connecting with the surrounding environment.
