DESCRIPTION

This newly built, high-quality "Townhouse" is located in the luxurious urban area above Santa Eulalia. The views are breathtaking and the quality of the property as well as the design are first class. The house is divided into two different areas and so the kitchen and the living area are located on the ground floor while 3 bedrooms and 3 bathrooms as well as a large roof terrace with infinity pool the upper floors.

Of course, the property is rounded off with the latest technical standards in terms of sound system and lighting design.

A separate apartment with two separate bedrooms and bathrooms, living area and kitchen is located in the lower floor of the "Townhouse".

A really very interesting object with a lot of love to the design detail and still located in close proximity to the city awaits you.
