DESCRIPTION

On a hill between Santa Gertrudis and San Lorenzo, this luxury Blakstad Ibiza villa is for sale. Integrated into the Mediterranean landscape, the unmistakable architectural style of the well-known architect Blakstad was perfected here. This luxury Blakstad Ibiza villa is a very well maintained property. Due to the use of high-quality materials and professional construction, this property meets the highest demands. Also, this luxury Blakstad Ibiza villa is very private and secure. Nestled in green surroundings with south-facing sea views, this luxury Blakstad Ibiza villa offers all the comforts. The luxury Blakstad Ibiza Villa offers a spacious outdoor entertainment area with open and covered terraces. In the entrance area, a garden with water ponds and straight hedges as well as covered sun areas was created, modeled after the Alhambra.

Of course, the large pool is facing the sea. The beautiful view goes over the green landscape to the sea. In the distance you can see the Cathedral of Santa Eulalia. In addition, the Mediterranean garden of this luxury Blakstad Ibiza villa gives its authentic character. A total of 5 bedrooms with 5 bathrooms offer space for family and friends. Due to the south exposure, the sun can be enjoyed all day long.

The architecture of Blakstad is unmistakable and it is the last house built by Him. In addition, the sea view of this luxury Blakstad Ibiza villa is unobstructed.

Modern decor with large living area and dining room and an open kitchen. Many covered outdoor areas offer the shade before the sunny months in Ibiza. Separate guest apartments are also available. Double garage and spacious driveway with carport parking. Central underfloor heating (oil) and air conditioning. Public electricity and generator as a reserve. A private deep well supplies this unique Blakstad villa in Ibiza with water.
